

REMARKS

Applicants respectfully request reconsideration of the application in light of the cancelled and amended claims as transmitted herein. In the Office Action of 14.July.2004, claims 1-5 were rejected, and claim 6 was objected to as being dependent upon a rejected base claim. Therefore, we are combining the allowed subject matter of claim 6 with claim 1 to make the combined material allowable. Specifically, the former claim 3 and claim 6 have been included in the body of claim 1, and the original claim 3 and claim 6 have been cancelled.

In view of the foregoing, applicants submit that the instant claims are in condition for allowance. Early and favorable action is earnestly solicited.
